SCHOOL INFORMATION

Sports Week

Thank you to everyone who took part in the virtual sports week. Mr Cooke has enjoyed receiving all the score cards and photos. Look out for an update soon about which Otter Team has the most points.

Google Classroom

Well done to everyone who has been using Google Classrooms to access and submit work. For Years 2 to 6 we have 98% of children accessing Google Classrooms. Teachers are really pleased to be receiving so many pieces of completed work. Thank you for your engagement with this.

Club Energy Holiday Club

Thank you for all the responses regarding registering an interest for a Holiday Club run by Club Energy. We have now received Government guidance about holiday clubs and will keep you informed of plans following completion and approval of relevant risk assessments.

School Lunches

For children attending school, please remember to pre-order packed lunches using the Parentmail form. This is essential as packed lunches are now made off site. For those children joining us from 13th July, this form will be available from Wednesday 8th July.

SCHOOL UPDATES

We received the Government guidance regarding schools for September yesterday. We will now be working through a new risk assessment and look forward to being able to confirm plans and share them with you as soon as possible.
