We have chosen not to include information within this summary regarding certain protected characteristics where we are concerned about the sensitivity or confidentiality of the data, including data relating to sexual orientation and gender identity.

As part of our compliance with the Equality Act we have also considered which information is suitable for publication. We consider it is not appropriate for us to collect some information from pupils in relation to some of the protected characteristics, including marriage/civil partnerships and pregnancy/maternity.

Age as a protected characteristic does not apply to pupils in schools and therefore this has not been included as part of the published equality data.
